OPENNESS ACT

Skandlog AS strive to ensure basic human rights and decent working conditions for our own workforce, and those of sub-contractors, suppliers and customers.

We are hard at work fulfilling the demands of *“Lov om virksomheters åpenhet og arbeid med grunnleggende menneskerettigheter og anstendige arbeidsforhold”* - in short *the Norwegian Openness Act*.

Beside running procedures, we conduct a yearly openness review. The latest presented to Skandlog’s board on 2023-06-29.

Attached is our internal procedure, while the actual review - due to confidentiality concerns - of course cannot be published.
